

East County Senior Center *Legacy Society*

Gift Alternatives

Dear East County Senior Center Friends and Supporters:

When you evaluate different ways of structuring your Legacy Society membership, *the size, timing and composition of your gift are all adjustable to fit your unique needs and situation.* A few of your alternatives are described below. When you are ready to get more information, please consult your professional advisors, or contact the ECSC Executive Director at (360) 794-6359.

- **Wills and Bequests** can be used to share what you have earned during your lifetime for the benefit of your community, your neighbors, and your friends.
- **Insurance**, whether a new policy naming the ECSC Legacy Fund as beneficiary, or the addition of the ECSC to an existing policy, allows you to enjoy the benefits of Legacy membership now with the knowledge that future members will benefit from your generosity for many years to come.
- **Charitable Annuities** are gifts to us that provide you a guaranteed life annuity, thereby assuring you income from your gift to the ECSC.
- **Charitable Remainder Trusts** pay income to you and provide a donation receipt to the ECSC for the principal, which eventually will pass to the Legacy Fund. This often is used for people who are paying more taxes than they would like on their investments.

Thank you for considering a gift to the Legacy Society. Your membership and gift will help us continue our Mission: *“To promote the physical, emotional, and economic well-being of older adults and to promote their participation in all aspects of community life”*

We look forward to speaking with you personally.

Marc Avni, Executive Director

“Thanks for your support!”
