

Legacy Society

We would like to recognize one of our senior center members who has recently become a member of our Legacy Society by including a gift to ECSC within this person's Will. However, this wonderful member has requested to remain anonymous, and so neither we nor you can thank this person publically.

This person chose to leave a specific dollar amount to the center, while leaving the remaining assets to family. Years from now, when the dollars from this gift come into our Legacy Fund, they will be added to other legacy gifts to help fund ESCS forever.

Our anonymous donor emphasized "how valuable this center is to myself and all our friends here," and considers it "a responsibility and an honor" to help provide for the center's future.

We, in turn, consider it a responsibility and an honor to help you, the members, keep ECSC open and improving long into the future. This is the purpose for which we established the Legacy Society.

Our senior center is fortunate to have such generous members. If you wish to discuss leaving your own legacy for the center, do not hesitate to ask our Executive Director or any Board member for more information.

One of our Board members is a local attorney, and can help you, at no charge, to revise your Will so you can join our Legacy Society by leaving your own gift to the center. We would love to welcome you as a member of the Legacy Society.
